

Dear Bible Study Participant,

Since you have chosen to attend this Bible study conducted by a Jail Ministry volunteer from the Campus Church of Christ, we feel you might like to know some things about this church. Our Jail Ministry teachers are volunteers who receive no compensation for teaching these Bible lessons. We do however feel greatly blessed to have the privilege of sharing our faith with you. We will try diligently to only teach the Bible and not some manmade creed or doctrine. Since we don't claim to have all the answers, feel free to question anything we say that you think might be contrary to the Bible. BLIND FAITH is a poor substitute for an INFORMED FAITH. We all need to know WHY we believe WHAT we believe. Through the Bible, God has chosen to reveal Himself and make known His will for our lives so that we can be in a right relationship with Him. It is necessary to study the Bible in order to know the TRUTH about God and not be deceived by false teaching. Some things taught in the name of religion are not true or right. The only way to know the difference is to study and know God's Word for ourselves. We want to help you do just that.

When released, some of you will need to be involved in a substance abuse rehab program. If this will be your situation, we would like to recommend the STEP-by-STEP PROGRAM at: 191 Plainview Dr. Suite 3, Lawrenceville Ga. 30045. They are centrally located close to various AA, CA and NA meeting places and the residential housing is located on a bus line. They are also within walking distance of the Gwinnett Detention Center and Parole Office. You will need to call (678-377-2323) or write the Step-by-Step office for more information.

Upon release, if you will be locating in the vicinity of the Campus Church we welcome you to consider becoming part of the family of Christ at Campus. You will find love, acceptance and a place to grow in your faith and spiritual walk.

Always remember, God knows you by name. He created you with purpose and meaning for your life, and He loves you beyond measure. If you have wandered away from Him it is NEVER too late to reclaim His love and come back home. If you are just getting to know Him, what amazing blessings await you as you grow in your relationship with Him. Ask the Lord to guide you in the decisions and choices you will make from this time forward.

God bless,

Campus Church
1525 Indian Trail Road (about one mile south of I-85)
Norcross, Ga. 30093

"Trust in the Lord with all your heart; do not depend on your own understanding. Seek His will in all you do, and He will direct your paths." (Proverbs 3:5,6)
