

Welcome...

to the Campus Student Ministry...
a place where you belong.

Our Student Ministry is home to
over 160 students in grades 6-12,
& there's room for you.

We want to help you come to
know, love, & serve Jesus with
your life.

IMAGINE a student at our church...

We will have one hour to spend with them this week.

What will we do?

On average, we'll have 40 hours with them this year.

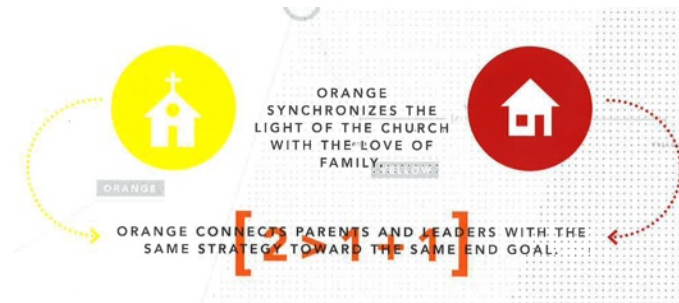

3000 hours...

That's the amount of time they will have with their parents this year.

IMAGINE

The difference it will make if every leader, every volunteer, every parent is on the same page, working toward the same end.

We want to combine the TWO primary influences that impact a student's spiritual life.

Church & family

Working together to influence the next generation for Christ.

HOW CAN YOU CONNECT

to what we do each Sunday in the Underground & Sunday?
Sign up on our web site to receive our weekly **CSM ENews** that will communicate to you what we are talking about with your students each week. Then you can continue the conversation at home.

And you must commit yourselves wholeheartedly to these commands that I am giving you today. Repeat them again and again to your children. Talk about them when you are at home and when you are on the road, when you are going to bed and when you are getting up.

Every Sunday morning in the Underground & Warehouse is a chance for our students to connect, refresh & grow in their relationships with each other & with God.

At 9AM Students can enjoy donuts & coffee in the cafe.

At 9:15 we gather to hear what the truth is for the day.

At 9:35 students break into Huddles, small groups, with caring adult leaders to discuss how they can apply the message into their own lives.

By 10AM we dismiss & make our way to the Forum for worship with our church family!

Every Wednesday we open the Warehouse & Underground at 3PM for student to come over & hang out after school. They can use our wifi to do homework, play basketball or four square on the Lot or simply enjoy popcorn & slushies from the cafe after school with friends.

At 6PM we provide dinner for \$3-\$5 per person.

At 7PM 180 begins. It's a time of music, songs & a chance for students to experience God.
